MEET THE STRAIGHTLINE FAMILY

The StraightLine system of drawer and pantry organization is now available in three finishes, ranging from light to dark, to complement any kitchen design.

We're proud to introduce StraightLine's newest addition, Black Ash, to the North American market in 2018. This beautifully painted wood brings elegance and contrast to your kitchen organization.

Birch brings a clean, modern look to the StraightLine organization system. This classic wood complements the design of virtually any drawer box or pantry pullout.

StraightLine walnut adds a rich, refined look to your kitchen. With warm tones and strong grains, walnut will make you want to open your drawers and pantries again and again in admiration.

DRAWER ORGANIZATION

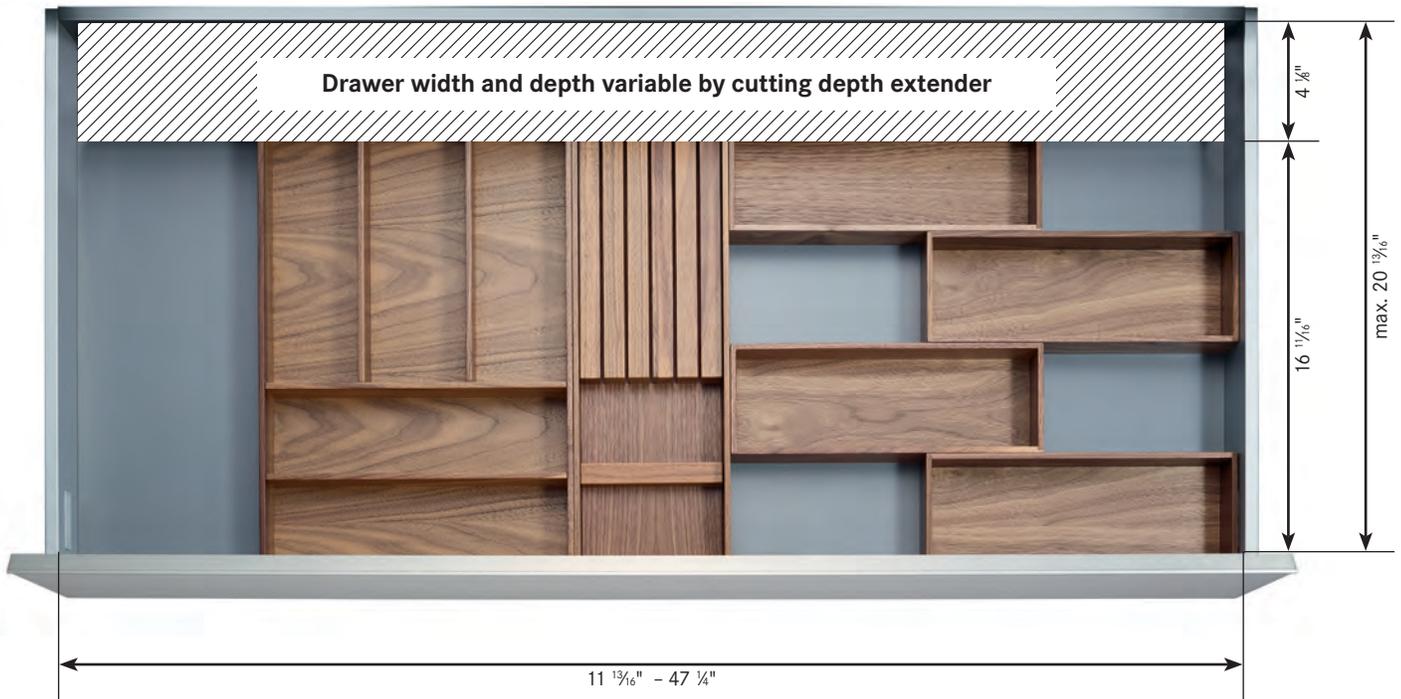

NOW THE INSIDE OF YOUR DRAWERS CAN BE JUST AS BEAUTIFUL AS THE REST OF YOUR KITCHEN. Each element serves a specific purpose, such as our foil and plastic wrap dispenser, knife block, and versatile pieces like our drawer boxes and multifunction inserts, so you can truly customize each drawer.
