Curved Floating Shelves

Our Curved Floating Shelves offer a fresh take on modern floating shelves with a sleek, curved front edge that adds a bold touch of elegance to any space. These shelves create a seamless floating look with no visible hardware, making them a perfect addition to kitchens, bathrooms, offices, and more.

Crafted from solid wood and wood veneer, these shelves provide durability and a high-end aesthetic. The unique bracket hanging system ensures secure installation while maintaining a clean, sophisticated appearance. Sanded and ready to finish, they can be customized to match any décor.

- Curved Floating Shelves offer a fresh, modern look with a subtly curved 8-1/2" radiused edge for added visual interest
- Expertly crafted from maple, cherry, rift white oak, red oak, alder, walnut, hickory, and paint-grade materials
- Solid wood and wood veneer construction (paint-grade shelves made from poplar and MDF)
- Complete turn-key system includes floating shelf, 100 lb. capacity hanging brackets, mounting hardware, and installation instructions
- Available in seven standard widths: 24", 30", 36", 42", 48", and 54"
- Standard depth is 10" (with a 12" deep option available by special order)
- Unique hanging system ensures quick installation and long-term durability
- No visible hardware for a seamless floating effect
- Meets or exceeds BHMA standards for safety and strength
- Sanded and ready to finish, allowing for complete customization
