FLEXIBLE & VERSATILE

Quick & Easy

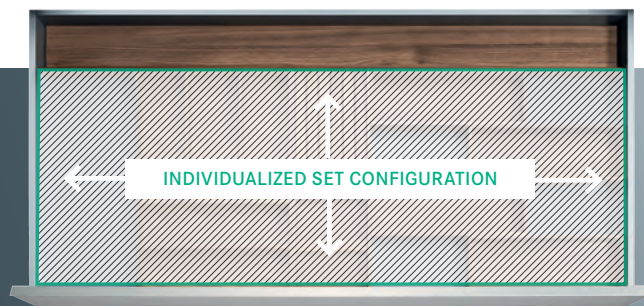

Add extra components such as foil roll holders, knife blocks and spice inserts.

All sets fit both straight & tapered drawer boxes.

Measuring Information

When determining the width of your drawer, please measure only the useable space inside of your drawer box. Each **StraightLine Set** has a minimum width, which is 3" wider than the width of the combined set elements. The depth of most **StraightLine** set elements is

16 1/2" and the depth extender can be cut to ensure that each set fits perfectly in your drawer. All **StraightLine Drawer Sets** are available to order through kitchen professionals.
